## 600LT COUPE

### INTRODUCTION

The McLaren 600LT is only the fourth McLaren

The McLaren F1 GTR 'Longtail' was one of the purest race cars in modern motorsport history, and the 675LT resurrected this revered name to create the purest distillation of what McLaren stands for – pure driving pleasure. Now the Sports Series expands the iconic 'Longtail' family, and shares the ethos of optimised aerodynamics, increased power, reduced weight, track-focused dynamics and enhanced driver engagement.

An LT is the most extreme expression of a McLaren, and the 600LT pushes the Sports Series to the edge of performance and exhilaration.
