

*Lancia Delta
Martini 5*

White

Description

The Lancia Delta Integrale HF Evoluzione Martini were built in 1991/1992 - aiming to celebrate Lancia's fifth consecutive victory in the Constructors' World Championship. Its main difference with respect to other Integrale of the time was in its exterior, decorated in the colours of Martini. And the number of units that was limited to 400, all of them numbered.

This unit remains completely original in perfect condition and with only 65,000km on the odometer.
